

## **5th FEIF Young Leaders' Event**

**1-3 April 2022, Vienna, AT**

**Topic: Digital networking in the equine sector–  
Staying connected through current creation tools**

On behalf of FEIF and ÖIV, we would like to invite you to Austria for the fifth FEIF Young Leaders' seminar. FEIF Youth work is offering a series of annual seminars, focussing on the age group 18-26 when great changes take place in the lives of young people.

In this event, we want to have a look at how much social media influences us, but also how companies use social media for their own benefit, like the company "Fiaker Paul". We will work on our skills of overcoming our own nervousness and how to motivate others in a workshop with Sigrid Brandstetter. The theoretical input about data privacy and communication skills will be contributed by Daniel Brandel.

Places are limited, and the maximum number of participants is 20.

**Application and payment deadlines: 25<sup>th</sup> February 2022**

Participants are only registered after full payment has been received by FEIF.

Please note that in April, all applicable COVID-19 measures need to be followed in order to participate in the event.

We are looking forward to welcoming you from all over the world and spend educating and entertaining seminars with you in Vienna!
